OPTISCAN V A densified facestock designed for medium-speed thermal transfer printing. This smudge resistant face offers good thermal transfer printing and is paired with Bloom hi-impact liner to reduce your environmental impact. This allows for more labels per roll, leading to less cores, cartons, packaging and waste.						
TTV9552-7	ST-95	Permanent		78"	2,500 ft	P10, P20
