## Product Guide

### What is Rebel® CT?

Rebel Cold Temp is ideal for wide format and screen-printed decals, markings, point-of-purchase displays, durable decals, and indoor or outdoor signage. It is available in a 3.0 mil gloss clear polymeric vinyl (**RB599CT**) or a 3.2 mil matte white polymeric vinyl (**RB528CT**). Both products are non-top coated, durable, and flexible. They are accompanied by a 90# polyethylene liner that is coated on both sides and provides excellent lay flat properties.

Rebel Cold Temp has an outdoor durability of up to 5 years and an indoor durability of up to 7 years. It is offered in 150-foot-long rolls with widths of 54 or 60 inches, which are standard, but custom roll sizes and sheets can be accommodated. Sample rolls are also available.

Product Code	Face	Adhesive	Liner	Width	Durability	Wall Applications						Recommended Overlaminates	
						Posters	Indoor Signage	Outdoor Signage	POP	Smooth Surface	Tiled Murals	Wall Graphics	Colorgard® LUV
RB528CT	 Matte White PVC	High-Tack Permanent	90# PE	54", 60"		■	■	■	■	■	■	■	■
RB599CT	 Clear High-Gloss PVC	High-Tack Permanent	90# PE	54", 60"		■	■	■	■	■	■	■	■

Can be installed at temperatures down to 15 degrees Fahrenheit.

**Service temperature range:** -65°F to +180°F

### Rebel Screen and Wide Format Printing

The Rebel portfolio is a multi-print media product line that offers a one-source solution for screen and wide format printing. Rebel features exceptional adhesive performance in removable, permanent and high-tack options and a wide variety of finishes that include gloss white, matte white and gloss clear. Rebel delivers an industry-leading 99% opacity, provided by the vinyl face film, for a more consistent print surface.

All Rebel products can be printed on multiple print platforms, including UV and solvent screen printing, UV inkjet, UV offset, solvent, eco-solvent, latex printing, and thermal transfer printing. The product is covered by the Mactac Open-Image Warranty, which guarantees compatibility and durability, and is also warranted with leading third-party screen ink manufacturers.

With an outdoor durability of up to five years, Rebel is ideal for traditional signage, POP displays, vending machines, ice boxes, floor and wall graphics, and more.
